But when an unexplained death at the lighthouse hits too close to home, Isabelle knows she has to be the one to fix it.

In a town where the pets are slightly unusual and where all the men are mysteriously above average, Izzy Delacorte won’t let disaster strike her family again. Not if she can help it.

## THE EXEFFECT

2025. Manuscript available

**Perfect for fans of Emily Henry, Beth O'Leary, Paige Toon and Christina Lauren.**

**They had a night to remember. For all the wrong reasons.**

Thirteen years ago, Ash was planning the night of her life with her high-school boyfriend, Logan. They were madly in love, wild about each other, and had been waiting patiently for this moment. It was going to be perfect.

That is, until it went down in very unsexy flames. Logan disappeared and Ash was left, quite frankly - and very inconveniently - sexually cursed.

After years of disastrous dating and even more disastrous sex, cinematographer Ash has almost given up. But some seriously flirtatious emails with location agent Maximillian Adam, to set up a scouting trip, offer her hope. Because if rumor is to be believed, Maximillian Adam might just be God's sexual gift to women.

Is Max going to be the one to finally break the curse? And, even better, break it over and over again?

Or when Ash and Max finally come face to face, will they both get so much more than they bargained for?

## MADIGAN MOUNTAIN Series

2022-2025. Manuscript available

From USA Today bestselling author Rebecca Yarros comes a small town, single parent romance.

Nine years ago, Weston Madigan saved me. I came to Colorado penniless, heartbroken, and pregnant, searching for a fresh start. Weston gave me a job at his family's resort, then left the next day and never returned, not even to visit.

Then I stumble in on Weston cooking breakfast shirtless—gloriously, inappropriately shirtless—in the shared kitchen of my duplex in employee housing. Given the shock on both our faces, he wasn't expecting a roommate either, let alone two.

The growly pilot is only home to start his family's new heli-skiing operation. I can handle being his temporary roommate, right? Chemistry and attraction aren't impossible to ignore when you agree on ground rules. Besides, even with those gorgeous, brooding brown eyes, the guy is a walking thundercloud...until my daughter, Sutton, makes him laugh and he smiles at me. Then everything changes. Cue inconvenient heart flip.

This is only temporary.

I can't fall for Weston.

I. Will. Not. Fall. For. Weston.

But rules go out the window when you're a little too close.

### **NOTE:**

***Vanessa was a young ballet dancer at The Minnesota Dance Theatre in the 80s and was a member of the children's company.***

***THE TURNING POINTE is inspired by her time there, when superstar singer Prince used a studio in the building to take private dance classes. He was preparing for the filming of his movie, Purple Rain and Vanessa would sneak up to his studio and watch him take class. Sometimes, she'd stalked the elevators, just to share a ride down with Prince and his bodyguard, Big Chick.***

***These encounters were the spark for this novel—the beginnings of a story she always hoped would make it to the published page. She hopes you will love the book as much as she loved writing it.***
