I LOOK FORWARD TO HEARING FROM YOU

2023. Manuscript available.

111k words.

A hilarious, satirical, madcap and moving roller-coaster ride through the world of Hollywood as seen through one person's descent into despair.

With an utterly unique lead character in the spirit of Ignatius J. Reilly or Miles from *Sideways*, *I LOOK FORWARD TO HEARING FROM YOU* is in the vein of Sam Lipsyte's *Home Land*, *My Year of Rest and Relaxation* by Ottessa Moshfegh, Andrew Martin's *Early Work* and Charles Yu's *Interior Chinatown*.

A story about a grief-stricken, desperately ambitious writer who antagonizes every Los Angeles denizen he encounters as his Paxil-addled brain slowly unravels during his maniacal quest for a career in television, exploring universal truths about grief, racism, mental health, body image, and the flawed pursuit of success.

"I wish I could write like Nick Bhasin... but reading his writing is the next best thing."
—**Sammy J**

"Bhasin hits that sweet spot of emotional depth while also being absurdly funny."
—**Mark Humphries**

One of the funniest books I've read in a long long time. Bhasin takes the reader on an adventure that's uplifting, depressing, crazy, weird, and funny all at the same time. Never read anything like it."

—**Amazon Review**

Nick Bhasin is a writer and editor based in Sydney, but originally from the US. His writing has appeared in a variety of publications, including the *New York Times*, the *Guardian*, the *Sydney Morning Herald*, the *Age*, *Junkee* and *McSweeney's* and he has occasionally appeared on ABC Melbourne radio as a cultural attaché.

VANESSA L. TORRES

ON THE WINGS OF LA NOCHA

January 28, 2025. Manuscript available this fall.
tk

Noche is a Lechuza by night, an ethereal jet-black owl who guides the dead to the after. Except now, Noche cannot bring herself to escort her dead girlfriend, whose soul is fading the harder Noche holds on—an aching romance about first and second loves and finding the strength to let go.

Death waits for Estrella (Noche) Villanueva. In her human form, she is a lonely science girl grieving the tragic accidental drowning of her girlfriend, Dante Fuentes. At night, she is a Lechuza who visits her dead girlfriend at the lake, desperate for more time with her. The longer Dante’s soul roams the earth, the more likely it is that she will fade into the unknown,
lost forever, but Noche cannot let go . . .

That’s when a new kid comes to town, Jax, another science nerd like Noche. They connect in a way she can’t ignore, seemingly pulled together by an invisible thread. For the first time, Noche begins to imagine a life without Dante. As Noche’s heart begins to beat for two people, her guilt flares. Then, she finds herself at risk of losing both Jax and Dante, and Noche is forced to question her purpose as a lechuza and everything she has ever believed in.

VANESSA L. TORRES is an author, adventure seeker, wife and a mother. This book was born out of tales her grandmother used to tell her about La Lechuza. Vanessa is a thirty-year veteran of the fire service and is equally proud to call her herself an author.

Her debut young adult novel, *The Turning Pointe*, released in 2022. When she's not writing, she balances her time between anything outdoors, and spending time with her family close to home in the beautiful Pacific Northwest.

Now Entering Addamsville

2019. Manuscript available.
364 pp.

Set in a town ruled by ghosts, demons and the dysfunctional but tightly-bonded families that live there, NOW ENTERING ADDAMSVILLE is perfect for fans of the Netflix shows Riverdale, Stranger Things and The Chilling Adventures of Sabrina.

Bad things are brewing in Addamsville. After being blamed for a suspicious fire and a local murder, a not-so-innocent teen—who knows both events are the fault of much more sinister forces—must find the true culprit, clear her name and scare away a popular ghost-hunting TV show before it uncovers the truth behind the local ghost legends. But time is ticking, and she’ll have to solve the mystery before she becomes another Addamsville ghost story...

“A darkly humorous, rapid-fire read in which the living are sometimes scarier than the dead.”
—Kirkus Reviews

GREYMIST FAIR

2023. Manuscript available.
336 pp.

Inspired by the Brothers Grimm. Greymist Fair will bewitch readers of Rachel Vincent's Red Wolf and Liz Braswell's A Twisted Tale series.

Two roads lead into a dark forest. They meet at Greymist Fair, the village hidden in the trees, a place kept alive by the families that never leave.

The people of Greymist Fair know the woods are a dangerous and magical place, and that they should never set foot off the road. But when the village's young tailor discovers a body on the road, her search for the culprit reveals even more strange and dark happenings around her town.

Told from multiple points of view, with each narrative building on the crime, GREYMIST FAIR examines the themes of childhood fears, growing into adult responsibilities, and finding a place to call home amid the trials of life and death.

"This skillfully written and thoroughly cohesive narrative gratifies as a mystery while illustrating the revolutionary power of love, kindness, and community. Zappia's ominous full-page b&w art, which features settings from each subsequent story, introduce the individual entries."

LOVE OVER DUTY Series

2018. Manuscripts available.

Deep Cover

Ex-Navy SEAL Cabe Moss can disappear in plain sight. He sees links in everything, filing every little detail away for future reference as he fades further into the background. He can remember the color of an assailant’s eyes, the face of his first kill, and the last time he kissed his fiancée (two years, one month, eleven days, and eight hours ago, the day before she left for Afghanistan, and thanks to a roadside IED, never came back). Which is why the signs are telling him that the recent cases he has worked on with his brothers at Eagle Securities are not only connected, but the tip of the iceberg.

He knows money is being laundered. The question is how?

F.B.I. Special Agent Amy Murray knows there are thirty-nine stairs up to her office, nineteen rows of roof tiles on the building opposite her apartment, and that the reason she has no student debt is because she counted cards in blackjack though college. Growing up in Las Vegas with a World Series of Poker champion for a father, it was to be expected. So when the chance arises to act as a dealer in a casino suspected of allowing money laundering on its premises, Amy takes the job. But it lands her straight into the path of the deadly handsome warrior Cabe.

As the two work together, their explosive attraction begins to lead to something deeper. But before risking their lives, he needs to risk his heart...

FAKING IT TILL YOU MAKE IT

In this era of social media, we all pretend to be prettier, happier, more confident versions of ourselves, but Ellen Grant takes it to a whole other level and pretends to be someone else entirely. Adopting the persona of a woman far more interesting is the only way she can break free of the socially awkward, romantically inept girl she really is.

And it's all going well until she catches the eye of a man at her local coffee shop. He has been noticing her for a while and he's fascinated. Little does he know, she is a fake.

It's not long before he discovers her true identity. However, he has a proposition. If she really wants to pretend, he can introduce her to a world where she can be anyone she wants. She is intrigued by the prospect, and, blind to the nature of Julian's profession, closes her eyes and lets him lead the way.

Can Ellen keep her feelings in check while discovering a new world of thrills and excitement? And will Julian let it show that he isn't entertaining Ellen purely out of the goodness of his heart?

SUGAR STREET

2018. Manuscript available
320 pp.

In the idyllic enclave of Sugar Mills, four women are struggling to keep their marriages alive and kicking in the hectic whirl of middle-class suburbia. Enter a gorgeous young tennis pro. Could a little well-orchestrated jealousy put the spark back in their suburban marriages, or burn everything they've worked for to the ground?

Playful, funny women's fiction with more than a dash of romance, SUGAR STREET is a story about marriage, friendship and the wild hopes beneath quiet desperation.

"[Pullen] systematically dismantles the contentment of her very comfortable characters while also keeping the story bouncing with zippy, involving dialogue and a fine sense of dramatic pacing. A glitzy romp that features suburban wives making unconventional—and haphazardly disastrous—attempts to break out of the safe patterns of their lives."

Struggling store owner Julia Mendel and sports blogger Dave “from the Man Cave” Bernstein have never gotten along, even though their daughters have been in the same preschool class for three years. She sees him as the arrogant, misogynist symbol of everything that’s wrong with the men in her life. He sees her as the odd, short-tempered PTA president, out to make his life more difficult at every opportunity.

When Dave and Julia find themselves in competition for the same babysitter, a confrontation in the carpool lane leads to an uneasy compromise: pooling their resources to share nanny services every-other Saturday night. After a while, Dave finds himself sharing his dating stories across Julia’s kitchen table. On behalf of her special needs son, Julia reluctantly turns to Dave for the masculine perspective she’s been missing since her divorce.

As the Saturdays wear on, however, they may discover they have more in common than car seats and custody schedules. Will there be a second chance at love?

"Pullen takes us on an emotional journey featuring two likable, authentic characters who discover an unexpected love and a second chance at happiness while navigating their messy, complicated lives."

—Jenna Sutton, Author of All The Right Places

"There are so many good things about this story. The kids, the overwhelmed Momhood (I know a few of them, too), dealing with exes and their new paramours, it's all very relatable."

—Javamonster, Amazon

"You are there. You see, know, and feel the characters. Enough sexiness to make it real and exciting without being salacious."

Point of Origin: In Legacy, Colorado, inheritance means fire and heartbreak—and he embodies both. Once my best friend and first love, he vanished a decade ago after a wildfire claimed our fathers and their crew. Now he’s back, trying to rebuild what destroyed us. Ten years later, while fighting fires in Alaska with my brother, I’m in love with my stubborn, strong best friend who’s unaware of my feelings. As Colorado calls me to rebuild my father’s team, one night with her changes everything, leaving me torn between duty and love.

Reason to Believe: When my pre-k student and his baby brother need emergency foster care, I take them in despite my apartment being flooded. Knox Daniels, my older brother’s best friend, offers his new place, though he’s not returning to our town until next month. Knox shows up early, and we end up faking a relationship to keep the brothers together, complicating everything I thought was under control.

A LITTLE TOO CLOSE

MADIGAN MOUNTAIN Series

2022-2025. Manuscript available

From USA Today bestselling author Rebecca Yarros comes a small town, single parent romance.

Nine years ago, Weston Madigan saved me. I came to Colorado penniless, heartbroken, and pregnant, searching for a fresh start. Weston gave me a job at his family’s resort, then left the next day and never returned, not even to visit.

Then I stumble in on Weston cooking breakfast shirtless—gloriously, inappropriately shirtless—in the shared kitchen of my duplex in employee housing. Given the shock on both our faces, he wasn’t expecting a roommate either, let alone two.

The growly pilot is only home to start his family’s new heli-skiing operation. I can handle being his temporary roommate, right? Chemistry and attraction aren’t impossible to ignore when you agree on ground rules. Besides, even with those gorgeous, brooding brown eyes, the guy is a walking thundercloud...until my daughter, Sutton, makes him laugh and he smiles at me. Then everything changes. Cue inconvenient heart flip.

This is only temporary.
I can’t fall for Weston.
I. Will. Not. Fall. For. Weston.
But rules go out the window when you’re a little too close.

From USA Today Bestselling Author Rebecca Yarros comes an enemies to lovers rock star romance.

If I can keep Hush Note's leading guitarist, Nixon Winters, on the straight and narrow for the next six months, I'll finally get my own band to manage—assuming we don't kill each other first. I've watched him self-destruct every summer, and with album deadlines and tour dates looming, I can't let it happen again.

My career is in his hands. But tattoos can't cover every scar, and I'm starting to see through his trademark, irresistible charm to the damage beneath. Everyone wants the rock star. I'm falling for the man. If he doesn't let me in, he'll never break the cycle—And when these six months are up, I might be the one left broken.
