FELINE MYSTIQUE

A Cat Lover's Deck and Guidebook

Throughout history, cats have bewitched us with their charm and aloofness. From ancient Egypt to modern memes, they've been a source of fascination, adoration, and even suspicion..

FELINE MYSTIQUE is a whimsical oracle deck that honors the enduring spirit of feline mystique and magic, featuring 53 original works of art by Amelia Rose. Accompanying these illustrations is a guidebook by Jennifer Sodini, which blends historical anecdotes and contemporary pop-culture references, providing an accessible approach to everyday magic.

The deck takes inspiration from the distinct personalities of various cat breeds — recognizing the breeds acknowledged by The Cat Fanciers' Association — and includes a unique incantation for each card. These incantations are designed to help readers tap into and harness the specific energies embodied by each card, offering a deeper, more interactive experience with the spirit of the deck
